

Dear Committee,

I am a resident of Connecticut and wish to voice my opposition for Bill 6355. Your opposition for this bill is important to me. There are already laws on the books that can protect people instead of this bill changing the existing law into something which I see being too easy to abuse.

Please support the bill that allows for non-lethal electronic defense weapons to be made legal, Bill 6491 An Act Concerning Nonlethal Electronic Defense Weapons.

Sincerely,

Frederick Porrello
